A DREAM.

(From the Atlantia Monthly.)

I alept ! I dreamed I and dreaming thought I saw an engel pure and white,
As dew drops which, by sun-beams caught,
Bhine forth true living geme of light.

His form was noble—aspect mild,
A radiance spring from where he stood,
And as he rais'd his eyes, and smiled,
He looked the embodiment of good.

I knalt me at his feet, and pray'd. That he would grant a been to one. In whose heart was a vald, that made Life burdensome, a thing to shun.

A slight cloud passed across his brusy; ... "What is there, theu," he asked, "would ten To comfort thee? say, tell me now, What wouldst thou have ? "-" A friend! friend."

His vivege brightened, and he spoke,-"Thy prayer is heard, a friend is thine "Peeling a thrill of joy. I woke,
And waking chaped thy hand in mine.

Yes thou hadet soothed my couch of pain-Hadet numed me the' I raved the white, And when I worked to sense again, Hope beamed upon me in thy smile.

Many long years have since gone by, And I have told thee other dreams, Yet that bright vision from on high, Bull cheers me onward with its beams.

CAUTION.

Merchants and Traders will be on their guard and not be imposed upon by a Counterfeit of Morece's Indian Root Pills, signed A. B. Moore. All genuine Indian Root Pills have the name and signature of A. J. White & Co., on each box. Dr. MORSE, the inventor of MORSE'S IN-DIAN ROOT PILLS, has spent the greater part of his life in travelling, having visited Europo, Asis, and Africa, as well as North Ameriour Western country-it was in this way that the Indian Root Pills were firet discovered .-fact that all diseases arise from IMPURITY of the BLOOD-that our strength, health and life depended upon this vital fluid. 50 Leonard Street, New York. AR. MORSE, the inventor of MORSE'S ROOT PILLS, has spent the greater pan of his life in travelling, having visited Europe, Asia, and Africa as well as North Americahas spent three years among the Indians of our Western country-it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF rette BLOOD -- that our strength, health and life depends upon this vital fluid.

When the various passages becomes clogged, and do not act in perfect harmony with the different functions of the body, the blood looses its action, becomes think, normited and disdistress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of Hie will forever be blown out. How important then body free and open. From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach. but becomes united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity. and the life of the body, which is the blood! becomes perfectly healthy; consequently al, sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

taken up and conveyed off in greater quantities

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and integlines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blocd, which throws the corrupted matter through every vein and artery until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and hapior to:mented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within With which he may be favored. Not only do they give immediate case and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the discess, which is the blood. Therefore, it will La shown, especially by those who use these Pills, that they will so cleanse and purify, that discess-that deadly enemy-will take its flight, and the flush of youth and beauty will egain return, and the prospect of a long and happy life will cherish and brighten your days.
